

# 2019 RULEBOOK **BULLS POINTS SYSTEM**

Changes from last season are made in **BLUE**.

Revisions during the season are made in **RED**.

Posted **3/06/19**

## GENERAL

- All events count for points toward their championship for Nitrous Bulls, Monster Bulls and Brahma Bulls.
- A rider is permitted to use a different bike per event to score points.
- Points will be posted on XDRacing.com by the end of the day on Tuesday after each event.
- Rider must enter competition at the last points race to win championship.
- In the event of a rainout, race director will dictate points situation.
- Lock-In points and elimination points are totaled per event for the rider. To receive Lock-In points you must Lock-In by Midnight on Wednesday before event.
- If a rider is broke before eliminations; the rider will only receive Lock-In points if they locked in before Wednesday at Midnight.
- In order to win a round you must stage your bike under power, even if your opponent is broke and unable to stage. The broke rider will still receive points for that round lost even if they were unable to stage their bike.

## BIKE NUMBERS

- **BIKE NUMBER:** A rider must use the same bike number for the entire season and cannot change it at any time during the season. Think of your bike number like it is your social security number, it is your identity.
- **NUMBER SIZE:** All bike numbers must be 3" tall, and on both sides of bike (not in the middle of your windshield on the front).
- **CHANGING BIKES:** If you are running someone else's bike, be sure to use your bike number and not theirs.
- **POINTS FOR BIKE NUMBERS:** The points system tracks the rider, it does not track the bike. Points cannot be transferred between riders.
- **VERIFY YOUR BIKE NUMBER:** All riders must check their time slip after each elimination run to make sure it has your correct bike number on it. If anything is incorrect you must notify the tower immediately to get it fixed so you get the correct points.

## TIE BREAKERS

- In the event of a tie in points in the top 10 at the end of the year, the tie will be broken by 1) rider with the most Wins that season, 2) Rider with the most Runner-Ups that season, 3) Rider with the most Semi-Final round appearances 4) rider who went the most rounds on the last day of the season, 5) rider entering most races. When tie breakers are used, any riders tied will placed in the tie breaker order using tenths of a point. If there is a tie in points at the last race of the season for the championship, a special runoff will be held that Sunday to determine the champion.

## DISCREPANCIES

- It is the rider's responsibility to verify his or her own points. In case of a discrepancy, you must email Chris Miller at [chris@mbpevents.com](mailto:chris@mbpevents.com) within 7 days after the event. If your email is not received within 7 days after the event, then points will stand as they are.
